Dear Stakeholder

Environmental Impact Assessment and Waste Management License Application for a proposed extension of ash disposal facilities and associated infrastructure at Camden Power Station

An Integrated Environmental Impact Assessment (EIA) and Waste Management License Application (WMLA) are being undertaken for a proposed extension of ash disposal facilities at Camden Power Station near Ermelo in Mpumalanga.

Recent studies have revealed that the current ash disposal facility will not be able to accommodate all the ash for the remaining operational life of the Camden power station, which will end in 2033. It was determined that the station would require an additional ash disposal facility by 2014, and this investigation is for undertaking the required environmental authorisation processes for this proposal.

An EIA must be conducted according to the National Environmental Management Act, (Act No 107 of 1998). New regulations (GNR 543 - 546 – Government Gazette No. 33306) were published in June 2010, which indicate that this proposed development must adhere to before being approved by the Department of Environmental Affairs (DEA).

Zitholele Consulting (Pty) Ltd has been appointed as the Environmental Assessment Practitioner (EAP) for this EIA and WMLA. The decision-making authority for this project is the DEA while the Mpumalanga Department of Economic Development, Environment and Tourism is a key commenting authority on this study.

You are invited to register as an Interested and/or Affected Party (I&AP) and to participate in this environmental process by using the registration and comment sheet in the enclosed Background Information Document. Please return the comment sheet at the latest by 17 June 2011 for this initial public notification process, although submissions and public participation will continue throughout the EIA process.

Kindly send your reply to Anelle Lötter or Florence Rambuda at the Public Participation Office on fax number 086-676-9950 or e-mail to alotter@zitholele.co.za / florencer@zitholele.co.za. You are also welcome to contact Zitholele Consulting on (011) 207-2076 or (011) 207- 2075.

This assessment is being conducted on behalf of Eskom.

Yours sincerely

Geagte Belanghebbende

Omgewingsimpakbepaling en Aansoek vir Afvalbestuurslisensie vir 'n voorgestelde uitbreiding van aswegdoenfasiliteite en gepaardgaande infrastruktuur by die Camden-kragstasie

'n Geïntegreerde Omgewingsimpakbepaling (OIB) en Aansoek vir 'n Afvalbestuurslisensie (AABL) word gedoen vir 'n voorgestelde uitbreiding van aswegdoenfasiliteite by die Camden-kragstasie naby Ermelo in Mpumalanga.

Onlangse studies het getoon dat die huidige aswegdoenfasiliteit nie al die as vir die oorblywende bedryfslewe van die Camden-kragstasie, wat in 2033 ten einde loop, sal kan hanteer nie. Daar is vasgestel dat die kragstasie teen 2014 'n bykomende aswegdoenfasiliteit sal nodig kry, en hierdie ondersoek is om die vereiste omgewingsmagtigingsprosesse vir hierdie voorstel te volg.

'n OIB moet ingevolge die Wet op Nasionale Omgewingsbestuur, 1998 (Wet No. 107 van 1998), gedoen word. Nuwe regulasies (GK R.543 – 546, *Staatskoerant* No. 33306) is in Junie 2010 gepubliseer en bepaal dat hierdie voorgestelde ontwikkeling daaraan moet voldoen voordat die Departement van Omgewingsake (DO) dit kan goedkeur.

Zitholele Consulting (Edms) Bpk is as die Omgewingsbepalingspraktisyn (OBP) vir hierdie OIB en AABL aangestel. Die besluitneemowerheid vir hierdie projek is die DO, en Mpumalanga se Departement van Ekonomiese Ontwikkeling, Omgewing en Toerisme is 'n sleutelkommentaarowerheid vir hierdie studie.

U word genooi om as 'n Belanghebbende en/of Geaffekteerde Party (B&GP) te registreer en om aan hierdie omgewingsproses deel te neem deur die registrasie- en kommentaarblad in die ingeslote Agtergrondinligtingsdokument te gebruik. Stuur asb die kommentaarblad nie later nie as 17 Junie 2011 terug vir hierdie aanvanklike openbare kennisproses, hoewel voorleggings en openbare deelname dwarsdeur die OIB-proses sal voortgaan.

Rig asb u antwoord aan Anelle Lötter of Florence Rambuda van die Kantoor vir Openbare Deelname by faksnommer 086 676 9950 of per e-pos aan alotter@zitholele.co.za / florencer@zitholele.co.za. U kan ook met Zitholele Consulting skakel by 011 207 2076 of 011 207 2075.

Hierdie bepaling word namens Eskom gedoen.

Met vriendelike groete

A handwritten signature in black ink, appearing to read 'A. Lötter', written in a cursive style.

16 May 2011

Attention: Landowner

Extension of ash disposal facilities at Camden Power Station

NOTIFICATION OF

ENVIRONMENTAL IMPACT ASSESSMENT AND ENVIRONMENTAL MANAGEMENT PROGRAMME

(in terms of the National Environmental Management Act, Act 107 of 1998), and a

WASTE MANAGEMENT LICENSE APPLICATION

(in terms of the National Environmental Management: Waste Act, At 59 of 2008)

An Integrated Environmental Impact Assessment (EIA) and Waste Management License Application (WMLA) are being undertaken for the proposed extension of ash disposal facilities and associated infrastructure at the Camden Power Station near Ermelo in Mpumalanga.

The Camden Power Station is a coal fired power station which is part of Eskom's power generation fleet. At this station, coal is the fuel burnt to generate electricity, which is fed into the national grid, but produces fine and coarse ash which has to be disposed of in an environmentally responsible manner. Ash disposal includes a process called 'wet ashing' which involves disposal of ash by pumping the ash as slurry through a pipeline to the ash facility. Some of the dry ash is also transported to the ash facility with a conveyor belt.

Recent studies have revealed that the current ash disposal facilities will not be able to accommodate all the ash to be generated during the remaining operational life of the Camden power station, which is predicted to end in 2033. It was determined that the station would require an additional ash disposal facility by 2014. It is anticipated that approximately 28.3 million m³ of ash will be generated by the Camden power station until 2033.

The proposed ash disposal facilities will have a ground foot print of approximately 120 hectares. However, a radius of 10 km around the Camden Power Station will be investigated during this EIA to identify potential sites, assess the sites and make a recommendation on the most favourable site, and all landowners within this radius are being informed of these processes.

The EIA will identify, propose and assess potential sites. An EIA and Environmental Management Programme (EMProg) are required in terms of the National Environmental Management Act (No 107 of 1998) and the NEMA EIA regulations (Government Notice Regulation [GNR] 543 to 546, published in June 2010). A WMLA in terms of the National Environmental Management: Waste Act (No. 59 of 2008) must also be undertaken.

This notice is in terms of Section 15 of GNR 543, which requires that landowners and people in control of land be notified of Eskom's intention to submit an application for environmental authorisation to the Department of Environmental Affairs.

This notice and the submission of the application form is the first step in the EIA and WMLA processes.

Konrad Kruger of Zitholele Consulting will act as the independent Environmental Assessment Practitioner responsible for the EIA and WMLA.

A Background Information Document (BID) will be sent to you shortly. The BID will provide you with a description of the proposed project, the EIA and WMLA processes, the public participation process and the affected environment.

A full public participation process will be conducted as an integral part of the EIA and WMLA application. This process will be coordinated and executed by Zitholele Consulting. As a potential interested or affected party you are requested to participate in the environmental impact assessment process.

For your participation, you are encouraged to register as an Interested or Affected Party (I&AP), and submit any comments, questions or issues that you may have about the proposed project, in writing, to Zitholele Consulting on fax number 086 676 9950, email alotter@zitholele.co.za or postal address PO Box 6002, Halfway House, 1685. You are also welcome to contact Zitholele telephonically on 011 207 2076 / 2077.

Yours sincerely

16 Mei 2011

Aandag: Grondeienaar

Uitbreiding van aswegdoenfasiliteite by die Camden-kragstasie

KENNISGEWING VAN

OMGEWINGSIMPAKBEPALING EN OMGEWINGSBESTUURSPROGRAM

(ingeolge die Wet op Nasionale Omgewingsbestuur, Wet 107 van 1998), en 'n

AANSOEK VIR 'N AFVALBESTUURSLISENSIE

(ingeolge die National Environmental Management: Waste Act, Wet 59 van 2008)

'n Geïntegreerde Omgewingsimpakbepaling (OIB) en Aansoek vir 'n Afvalbestuurslisensie (AABL) word gedoen vir die voorgestelde uitbreiding van aswegdoenfasiliteite en gepaardgaande infrastruktuur by die Camden-kragstasie naby Ermelo in Mpumalanga.

Die Camden-kragstasie is 'n steenkoolkragstasie wat deel van Eskom se kragopwekkingsvloot is. By hierdie kragstasie is steenkool die brandstof wat verbrand word om elektrisiteit op te wek, wat in die nasionale netwerk gevoer word, maar die kragstasie produseer fyn en growwe as wat op 'n omgewingskundig verantwoordelike wyse weggedoen moet word. Aswegdoening sluit in 'n proses wat 'nataswegdoening' genoem word, wat behels dat as weggedoen word deur dit as 'n flodder deur 'n pypleiding na die asfasiliteit te pomp. 'n Deel van die droë as word ook met 'n vervoerband na die asfasiliteit vervoer.

Onlangse studies toon dat die huidige aswegdoenfasiliteite nie al die as vir die oorblywende bedryfslewe van die Camden-kragstasie, wat in 2033 ten einde loop, sal kan hanteer nie. Daar is vasgestel dat die kragstasie teen 2014 'n bykomende aswegdoenfasiliteit sal moet kry. Na verwagting sal ongeveer 28.3 miljoen m³ as tot 2033 deur die Camden-kragstasie geproduseer word.

Die voorgestelde aswegdoenfasiliteite sal 'n grondvoetspoor van sowat 120 hektaar hê. 'n Radius van 10 km rondom die Camden-kragstasie sal egter gedurende hierdie OIB ondersoek word om potensiële terreine te identifiseer, die terreine te evalueer en 'n aanbeveling oor die gunstigste terrein te maak, en alle grondeienaars binne hierdie radius word van hierdie prosesse in kennis gestel.

Die OIB sal potensiële terreine identifiseer, voorstel en evalueer. 'n OIB en 'n Omgewingsbestuursprogram (OBProg) word vereis ingeolge die Wet op Nasionale Omgewingsbestuur (No. 107 van 1998) en die OIB-regulasies (Goewermentskennisgewings R.543 tot 546) wat in Junie 2010 gepubliseer is. 'n Aansoek vir 'n Afvalbestuurslisensie (AABL) moet ook gedoen word ingeolge die National Environmental Management: Waste Act (Wet No. 59 van 2008).

Hierdie kennisgewing is ingevolge Item 15 van Goewermentskennisgewing R.543, wat vereis dat grondeienaars en mense in beheer van grond in kennis gestel moet word van Eskom se voorneme om 'n aansoek vir omgewingsmagtiging by die Departement van Omgewingsake in te dien.

Hierdie kennisgewing en die voorlegging van die aansoekvorm is die eerste stap in die OIB- en AABL-prosesse.

Konrad Krüger van Zitholele Consulting sal as die onafhanklike Omgewingsbepalingspraktisyn optree wat vir die OIB en die AABL verantwoordelik is.

'n Agtergrondinligtingsdokument (AID) sal binnekort aan u gestuur word. Die AID sal u voorsien van 'n beskrywing van die voorgestelde projek, die OIB- en AABL-prosesse, die proses van openbare deelname en die geaffekteerde omgewing.

'n Volledige proses van openbare deelname sal as 'n integrale deel van die OIB en die ABL-aansoek gedoen word. Hierdie proses sal deur Zitholele Consulting gekoördineer en uitgevoer word. As 'n potensiële belanghebbende of geaffekteerde party word u versoek om aan die omgewingsimpakbepalingsproses deel te neem.

Vir u deelname word u aangemoedig om as 'n Belanghebbende of Geaffekteerde Party (B&GP) te registreer en enige kommentaar, vrae of kwessies oor die voorgestelde projek skriftelik aan Zitholele Consulting voor te lê by faksnommer 086 676 9950, e-pos alotter@zitholele.co.za of posadres Posbus 6002, Halfway House, 1685. U kan Zitholele ook telefonies skakel by 011 207 2076 / 2077.

Met vriendelike groete

Anelle Lötter

11 July 2011

Dear Stakeholder

**PROPOSED EXTENSION OF ASH DISPOSAL FACILITIES AND ASSOCIATED INFRASTRUCTURE
AT CAMDEN POWER STATION - DEA REF NO: 12/12/20/2300**

**Draft Scoping Report available for public comment and an invitation to a public meeting to
discuss the proposed project**

An integrated Environmental Impact Assessment (EIA) and Waste Management License Application (WMLA) are being undertaken for the proposed extension of ash disposal facilities at Camden Power Station near Ermelo in Mpumalanga.

Recent studies have revealed that the current ash disposal facility will not be able to accommodate all the ash for the remaining operational life of the Camden power station, which will end in 2033. It was determined that the station would require an additional ash disposal facility by 2014, and this investigation is for undertaking the required environmental investigation and authorisation processes for this proposal.

Notification letters and a background information document have been distributed, and site notices were placed, in May 2011 to inform stakeholders of this environmental assessment process and the approvals that are required. Based on the feedback received to date, a Draft Scoping Report has been prepared and will be made available for public review and comment.

Availability of Draft Scoping Report for public review from 18 July to 22 August 2011

In accordance with the EIA Regulations, one of the purposes of a scoping process is to identify issues related to a project. It also provides an opportunity for the public to comment, identify issues and concerns regarding the activity and/or alternatives, suggesting ways of avoiding, reducing or mitigating negative impacts of an activity and enhancing positive impacts.

Issues and concerns raised by the public, along with issues identified by the environmental technical specialists, will be used to define the Terms of Reference for the Specialist Studies that will be conducted during the Impact Assessment Phase of the EIA.

The Draft Scoping Report (DSR) also allows Interested and Affected Parties (I&APs) to verify that their contributions have been captured and correctly understood.

The DSR will be available for public review from **18 July to 22 August 2011**. Thereafter the report will be updated and submitted to the lead authority for the EIA and WMLA, the National Department of Environmental Affairs (DEA).

The report will be available for review from **18 July 2011** at the following locations:

Contact	Location	Contact
Printed Copies		
Mr Stanley Dondolo	Ermelo Public Library	(017) 801-3621
Ms Thandiwe Mzoyi	Camden Power Station	(017) 827 8000
Electronic Copies		
Mr Tobile Bokwe	www.eskom.co.za/eia Camden ash disposal	011 800 2303
Mr Andre Joubert	www.zitholele.co.za/camden-power-station	011 207 2077
Mr Andre Joubert	Available on CD on request via email from Zitholele Consulting	Phone 011 207 2077, or send email request to andrej@zitholele.co.za , or complete the enclosed form.

You are requested to comment on the DSR in any of the following ways:

- Completing the comment sheet enclosed;
- Writing a letter, or producing additional written submissions;
- Sending an email or phoning the public participation office; or
- Attending a public meeting (see below for details).

Invitation to a public meeting on Wednesday, 27 July 2011

An open house and public meeting will be held on Wednesday, 27 July 2011 at the Indawo Game Reserve, near Camden power station. The purpose of the public meeting will be to present the outcomes of the scoping process, and to allow discussions around those outcomes and to make recommendations which will be taken into the Scoping and Impact EIA phase. Our technical experts and Eskom officials will be available during the Open House for discussions regarding this project.

Please fill in the enclosed form and return it by **Friday, 22 July 2011**. This will allow us to send you an electronic copy of the DSR in advance. The details of the public meeting are:

Date: Wednesday, 27 July 2011
Time: Open House **16:00 to 17:30**
Public meeting **18:00 to 20:00**
Venue: Indawo Game Reserve

(The venue is on the N2 between Ermelo and Piet Retief, about 3 km south-east of the Camden Power Station)

Kindly send your reply to Anelle Lötter or Florence Rambuda at the Public Participation Office on fax number 086-676-9950 or e-mail to alotter@zitholele.co.za / floencer@zitholele.co.za. You are also welcome to contact Zitholele Consulting on (011) 207-2076 or (011) 207- 2075.

This assessment is being conducted on behalf of Eskom.

Yours sincerely

Anelle Lötter

11 Julie 2011

Geagte Belanghebbende

**VOORGESTELDE UITBREIDING VAN ASWEGDOENFASILITEITE EN GEPAARDGAANDE
INFRASTRUKTUUR BY DIE CAMDEN-KRAGSTASIE – DOS-VERWYSING: 12/12/20/2300**

**Konsep-Omvangbepalingsverslag beskikbaar vir openbare kommentaar en 'n uitnodiging na 'n
openbare vergadering om die voorgestelde projek te bespreek**

'n Geïntegreerde Omgewingsimpakbepaling (OIB) en Aansoek vir 'n Afvalbestuurslisensie (AABL) word gedoen vir die voorgestelde uitbreiding van aswegdoenfasiliteite by die Camden-kragstasie naby Ermelo in Mpumalanga.

Onlangse studies toon dat die huidige aswegdoenfasiliteite nie al die as vir die oorblywende bedryfslewe van die Camden-kragstasie, wat in 2033 ten einde loop, sal kan hanteer nie. Daar is vasgestel dat die kragstasie teen 2014 'n bykomende aswegdoenfasiliteit sal moet kry, en hierdie ondersoek word gedoen vir die vereiste omgewingsondersoek- en magtigingsprosesse vir hierdie voorstel.

Kennisgewingsbriewe en 'n agtergrondinligtingsdokument is in Mei 2011 versprei en terreinkennisgewings is aangebly om belanghebbendes in kennis te stel van hierdie omgewingsbepalingsproses en die goedkeuring wat vereis word. Op grond van die terugvoer wat tot dusver ontvang is, is 'n Konsep-Omvangbepalingsverslag opgestel, wat vir openbare insae en kommentaar beskikbaar gestel sal word.

Beskikbaarheid van Konsep-Omvangbepalingsverslag vir openbare insae van 18 Julie tot 22 Augustus 2011

In ooreenstemming met die OIB-regulasies is een van die oogmerke van 'n omvangbepalingsproses om kwessies rakende 'n projek te identifiseer. Dit bied ook aan die publiek 'n geleentheid om kommentaar te lewer, kwessies en kwellings rakende die aktiwiteit en/of alternatiewe te identifiseer en maniere voor te stel om negatiewe impakte van 'n aktiwiteit te vermy, te verminder of te versag en positiewe impakte te vergroot.

Kwessies en kwellings wat deur die publiek geopper word, saam met kwessies wat deur die tegniese omgewingspesialiste geïdentifiseer word, sal gebruik word om die Opdrag vir die Spesialisstudies te definieer wat gedurende die Impakbepalingsfase van die OIB gedoen sal word.

Die Konsep-Omvangbepalingsverslag (KOV) stel Belanghebbende en Geaffekteerde Partye (B&GP's) ook in staat om seker te maak dat hulle bydraes opgeneem is en korrek verstaan word.

Die KOV sal van **18 Julie tot 22 Augustus 2011** beskikbaar wees vir insae deur die publiek. Daarna sal die verslag bygewerk word en aan die verantwoordelike owerheid vir die OIB en AABL, die nasionale Departement van Omgewingsake (DOS), voorgelê word.

Die verslag sal vanaf **18 Julie 2011** op die volgende plekke ter insae beskikbaar wees:

Kontak	Plek	Kontak
Gedrukte Eksemplare		
Mnr Stanley Dondolo	Ermelo Openbare Biblioteek	017 801 3621
Me Thandiwe Mzoyi	Camden-kragstasie	017 827 8000
Elektroniese Weergawes		
Mnr Tobile Bokwe	www.eskom.co.za/eia Camden ash disposal	011 800 2303
Mnr André Joubert	www.zitholele.co.za/camden-power-station	011 207 2077
Mnr André Joubert	Op CD verkrygbaar van Zitholele Consulting op aanvraag per e-pos	Telefoon 011 207 2077, of stuur 'n e-posversoek aan andrej@zitholele.co.za , of vul bygaande vorm in.

U word versoek om op enige van die volgende maniere op die KOV kommentaar te lewer:

- Vul die bygaande kommentaarblad in;
- Skryf 'n brief, of lewer bykomende skriftelike voorleggings;
- Stuur 'n e-pos of skakel die kantoor vir openbare deelname; of
- Woon 'n openbare vergadering by (kyk hieronder vir besonderhede).

Uitnodiging na 'n openbare vergadering op Woensdag, 27 Julie 2011

'n Oop huis en openbare vergadering sal op Woensdag, 27 Julie 2011 gehou word by die Indawo-wildreservaat naby die Camden-kragstasie. Die doel van die openbare vergadering is om die uitkomst van die omvangbepalingsproses voor te hou en om geleentheid te gee vir besprekings oor daardie uitkomst en om aanbevelings te doen wat na die Omvangbepalings- en Impakfasies van die OIB geneem sal word. Ons tegniese deskundiges en Eskom-beamptes sal gedurende die Oop Huis beskikbaar wees vir samesprekings rakende hierdie projek.

Vul asb die bygaande vorm in en stuur dit terug teen **Vrydag, 22 Julie 2011**. Dit sal ons in staat stel om vooraf vir u 'n elektroniese eksemplaar van die KOV te stuur. Die besonderhede van die openbare vergadering is:

Datum: Woensdag, 27 Julie 2011
Tyd: Oop Huis **16:00 tot 17:30**
Openbare vergadering **18:00 tot 20:00**
Plek: Indawo-wildreservaat

(Die plek is op die N2 tussen Ermelo en Piet Retief, ongeveer 3 km suidoos van die Camden-kragstasie)

Stuur asb u antwoord aan Anelle Lötter of Florence Rambuda by die Kantoor vir Openbare Deelname by faksnommer 086 676 9950 of e-pos aan alotter@zitholele.co.za / florencer@zitholele.co.za. U kan Zitholele Consulting ook skakel by 011 207 2076 of 011 207 2075.

Hierdie bepaling word namens Eskom gedoen.

Met vriendelike groete

9 September 2011

Dear Stakeholder

**PROPOSED EXTENSION OF ASH DISPOSAL FACILITIES AND ASSOCIATED INFRASTRUCTURE
AT CAMDEN POWER STATION - DEA REF NO: 12/12/20/2300**

Final Scoping Report available for public comment

An Integrated Environmental Impact Assessment (EIA) and Waste Management License Application (WMLA) process is being undertaken for a proposed extension of ash disposal facilities at Camden Power Station near Ermelo in Mpumalanga.

Recent technical investigative studies have revealed that the current ash disposal facility will not be able to accommodate all the ash for the remaining operational life of the Camden power station, which is anticipated to end in 2033. These studies confirmed that the current ashing facilities would reach its carrying capacity before 2014. It was determined that the station would require an additional ash disposal facility by 2014, and this investigation is for undertaking the required environmental authorisation processes for this proposal.

Notification letters and a background information document have been distributed and site notices were placed in May 2011 to inform stakeholders of this environmental assessment processes and the approvals that are required. Based on the feedback received, a Draft Scoping Report was prepared and made available for public review from 18 July to 22 August 2011. A public meeting was also held in the Ermelo area (Indawo Game Lodge) on 27 July 2011 to discuss the content of the Draft Scoping Report.

Availability of the Final Scoping Report for public review from 12 September to 21 October 2011

The Scoping Report has been finalised considering the issues and concerns which were received from stakeholders during the review of the Draft Scoping Report. In accordance with the EIA Regulations, the Final Scoping Report will be submitted to the competent authority for the environmental impact assessment and the waste management license, namely the national Department of Environment Affairs (DEA). Parallel to this submission, the report will be made available for review by the public, relevant organs of state and other government departments for a 40 calendar day period. This review period will be from **12 September to 21 October 2011**.

The report will be available for review from **12 September 2011** at the following locations:

Contact	Location	Contact
Printed Copies		
Mr Stanley Dondolo	Ermelo Public Library	(017) 801-3621

Andre Joubert	www.zitholele.co.za/camden-power-station	011 207 2077

Contact	Location	Contact
Andre Joubert	Available on CD on request via email from Zitholele Consulting.	Phone 011 207 2077, or send email request to andrej@zitholele.co.za , or complete the enclosed form.

Your comments on the report will be considered in the preparation of the Draft Environmental Impact Assessment Report as well as by the DEA in the review of the Final Scoping Report.

According to the National Environmental Management Act sub-regulation 56 (6) comments on the Final Scoping Report must be addressed to the competent authority, the DEA case officer, as follows:

Ms Nyiko Ngoveni
Tel: (012) 310 3911
Fax: (012) 322 2682
Email: nngoveni@environment.gov.za
Private Bag X447, Pretoria, 0001

It is important to ensure that you quote the project reference number: **DEA REF NO: 12/12/20/2300**.

A copy of your comments should also be sent to the public participation office.

PLEASE NOTE: Every comment that has already been submitted to Zitholele Consulting on the Draft Scoping Report has been attached to the Final Scoping Report. Since the DEA will be receiving these comments with the report it is not necessary to resubmit comments. Only new comments that have not already been submitted to Zitholele should be submitted to the DEA. You are welcome to clarify whether your comments have been included and responded to by accessing the report at the aforementioned websites.

The way forward

The following are the next steps in the EIA process:

- DEA will review the Final Scoping Report, including the Plan of Study for the EIA and Version 2 of the IRR and issue a letter either :
 - Accepting the Final Scoping Report including Plan of Study for EIA and advise the Environmental Assessment Practitioner (EAP) to proceed with the tasks contemplated in the Plan of Study for EIA, or
 - Request the EAP to make such amendments to the Report or the Plan of Study for EIA as the competent authority may require.
- Specialists will continue their specialist assessments and compile specialist assessment reports.
- The specialist assessment reports will be studied and integrated into the Draft EIA Report. The Draft EIA Report and Draft Environmental Management Programme (EMP) will be made available for public review and a meeting will be held to discuss the reports.. Notification to this effect will be sent to all stakeholders.

Do not hesitate to contact the public participation office should you need any assistance.

Yours sincerely

Anelle Lötter - Public Participation Office

11 March 2013

Dear Stakeholder

**PROPOSED EXTENSION OF ASH DISPOSAL FACILITIES AND ASSOCIATED INFRASTRUCTURE
AT CAMDEN POWER STATION
(DEA REF NO: 12/12/20/2300)**

- **DRAFT ENVIRONMENTAL IMPACT REPORT (DEIR) AVAILABLE FOR PUBLIC REVIEW AND COMMENT; AND**
- **AN INVITATION TO A PUBLIC MEETING TO PRESENT THE ENVIRONMENTAL FINDINGS AS PER THE DEIR**

An integrated Environmental Impact Assessment (EIA) and Waste Management License Application (WMLA) are being undertaken for the proposed extension of ash disposal facilities at Camden Power Station near Ermelo in Mpumalanga.

Recent studies have revealed that the current ash disposal facility will not be able to accommodate all the ash for the remaining operational life of the Camden power station, which will end in 2033. It was determined that the station would require an additional ash disposal facility by 2014, and this investigation is for undertaking the required environmental investigation and authorisation processes for this proposal.

The Final Scoping Report (FSR) and the associated Plan of Study for the EIA were submitted to the competent authority, the Department of Environmental Affairs (DEA) and DEA accepted the FSR and Plan of Study for the EIA in a letter dated 7 November 2011. Specialist studies were conducted as per the Plan of Study for the EIA.

The findings of these studies have been integrated and a Draft Environmental Impact Report (DEIR) and an Environmental Management Programme (EMPr) are being developed. The DEIR and EMPr will provide a preferred site for the proposed ash facilities as per the findings of the specialists. The EMPr will detail proposed mitigation measures to ensure that limited harm is done to the environment with regards to the construction and operation of the ash disposal facilities.

**PUBLIC REVIEW OF DRAFT ENVIRONMENTAL IMPACT REPORT FROM
THURSDAY 14 MARCH TO WEDNESDAY 17 APRIL 2013**

The Draft Environmental Impact Report (DEIR) has been prepared in terms of the EIA Regulations as published in GNR 543 - 546 – Government Gazette No. 33306 of 2010. In accordance with the EIA Regulations, the purpose of the DEIR is to verify that issues raised during the process were considered and to assist the competent authority to make an informed decision.

The DEIR will be available for public review from **Thursday 14 March to Wednesday 17 April 2013**. Thereafter, the report will be updated into the Final Environmental Impact Assessment Report (FEIR) and submitted to the DEA. The DEA will, in consultation with the commenting authorities, consider the findings and recommendations and either grant environmental authorisation or not.

The DEIR will be available at the public places listed in the table below. The report is also available for download from the Eskom and Zitholele websites (www.eskom.co.za/eia and www.zitholele.co.za/camden-power-station).

As mentioned above, the report will be available for review from **Thursday 14 March to Wednesday 17 April 2013** at the following locations:

Venue	Address	Contact
Printed Copies		
Ermelo Public Library	Cnr Church and Smuts Street Civic Centre	Mr Stanley Dondolo 017 801-3621
Camden Power Station	N2 on-route Piet Retief, Reception	Ms Thandiwe Mzoyi 017 827 8000
Electronic Copies		
Eskom	www.eskom.co.za/eia /Camden ash disposal facilities	Mr Tobile Bokwe 011 800 2303

	Available on CD on request via email from Zitholele Consulting	janb@zitholele.co.za

You can comment on the DEIR or the summary in any of the following ways:

- By completing the comment sheet that is available with the DEIR.
- By writing a letter.
- By email or telephone to the public participation office.
- By attending the public meeting (see below).

INVITATION TO PUBLIC MEETINGS ON TUESDAY 9 APRIL 2013

The purpose of the public meeting will be to share the findings of the specialist studies and to provide an opportunity for interested and affected parties to comment and raise issues on the DEIR. Please fill in the attached form to register for the meeting and return it **on or before Wednesday 3 April 2013**. This will allow us to make the necessary arrangements.

The details of the public meeting are:

Date: Tuesday 9 April 2013

Times: 10:00 to 12:00

Or

18:00 to 20:00

Venue: Indawo Game Reserve (GPS: S 26°35.661, E 030°06.960)

(on the N2 between Ermelo and Piet Retief, about 3 km south-east of the Camden Power Station)

Should you wish to receive further information regarding this study, please contact Zitholele Consulting on Tel: 011-207-8403 or e-mail: janb@zitholele.co.za.

Kind regards

04 April 2013

Dear Stakeholder

**PROPOSED EXTENSION OF ASH DISPOSAL FACILITIES AND ASSOCIATED INFRASTRUCTURE
AT CAMDEN POWER STATION
(DEA REF NO: 12/12/20/2300)**

NOTIFICATION OF CHANGE OF PUBLIC MEETING DATE

As per our letter dated the 20th of March 2013 in which we informed you of the extension of the public review period for the Draft Environmental Impact Report (DEIR), we also invited you to attend any one of the Public Meetings that was scheduled to be held on Tuesday 9 April 2013.

This letter serves to inform you that due to strategic planning, the Public Meetings will now take place on:

Date: Wednesday 17 April 2013

Times: 10:00 to 12:00

or

18:00 to 20:00

Venue: Indawo Game Reserve (GPS: S 26°35.661, E 030°06.960)

(on the N2 between Ermelo and Piet Retief, about 3 km south-east of the Camden Power Station)

As you will notice, the meeting times and venue stayed unchanged.

The purpose of the public meetings will be to share the findings of the specialist studies and to provide an opportunity for interested and affected parties to comment and raise issues on the DEIR. Please fill in the attached form to register for the meeting and return it **on or before Wednesday 10 April 2013**. This will allow us to make the necessary arrangements.

We apologise for any inconvenience this may have caused and should you wish to receive further information regarding this study, please contact Zitholele Consulting on Tel: 011-088-8403 or e-mail: janb@zitholele.co.za.

Kind regards

Our Ref: 12670-36-Let-002-EIA

04 August 2014

Dear Stakeholder

INTEGRATED ENVIRONMENTAL AUTHORISATION PROCESS (EIA AND WASTE MANAGEMENT LICENSE APPLICATION) FOR THE PROPOSED EXTENSION OF THE ASH DISPOSAL FACILITY AND ASSOCIATED INFRASTRUCTURE AT CAMDEN POWER STATION NEAR ERMELO, MPUMALANGA PROVINCE (DEA Ref. No: 12/12/20/2300 and NEAS Ref. No.: DEA/EIA/0000399/2011)

This letter serves to provide an overview of the milestones that have been reached since the Final Scoping Report was accepted and the Plan of Study approved by the Department of Environmental Affairs. The approval to proceed with the Impact Phase was received on the 07 September 2011, and the Draft Environmental Impact Assessment Report (DEIR) was released for public review in April 2013.

As a registered Interested and/or Affected Party (I&AP) you have been provided with ongoing information relating to the proposed project. Since the public review of the original DEIR and DEMPr, some key aspects of the project scope have changed. These changes include:

- The shape of the Ash Disposal Facility (ADF) has been amended so as to avoid the need to deviate power lines; and
- The lifespan of the ADF as well as the decision to construct it in a phased approach has altered the original conceptual design.

Accordingly, Zitholele Consulting will be releasing a Revised DEIR and Revised DEMPr, as well as supporting documentation, for your review and comments. The scope change will be underlined throughout the revised documentation for easy reference.

Details regarding the public review period for the Revised DEIR and DEMPr will be communicated to all registered I&APs and stakeholders in due course. All comments that are received from I&APs, stakeholders and Commenting Authorities during the review period will be collated into a Comments and Response Report, Version 4 (CRR) and included in the Final Environmental Impact Assessment Report (FEIR) for submission to the DEA. The CRR will provide details relating to the comments that were received as well as the response provided by the Environmental Assessment Practitioner (EAP) (i.e. Zitholele Consulting (Pty) Ltd). Once the FEIR has been updated, it will be submitted to the DEA for review and decision making. You, as a registered I&AP and stakeholder, will be notified of the submission of the FEIR to the DEA and you will be provided with an opportunity to comment on the FEIR.

Please do not hesitate to contact us should you require any additional information regarding the Camden ADF project. You are most welcome to submit your query / comment to Nicolene Venter or Shandré Laven on tel: 011 207 2060, at fax 086 674 6121 or per e-mail to publicprocess@zitholele.co.za.

Kind regards

4 Augustus 2014

Geagte Belanghebbende

GEÏNTEGREERDE OMGEWINGSMAGTIGINGSPROSES (OIE EN AANSOEK OM AFVALBESTUURLISENSIE) VIR DIE VOORGESTELDE UITBREIDING VAN DIE ASVERWYDERINGSINSTALLASIE EN GEPAARDGAANDE INFRASTRUKTUUR BY DIE CAMDEN KRAGSTASIE NABY ERMELO, MPUMALANGAPROVINSIE (DO Verw. No: 12/12/20/2300 en NEAS Verw. No.: DEA/EIA/0000399/2011)

Hierdie brief dien om 'n oorsig te bied van die mylpale wat bereik is sedert die Finale Bestekopnameverslag aanvaar en die Plan van Studie goedgekeur is deur die Departement van Omgewingsake. Die goedkeuring om met die Impakfase voort te gaan, is op 7 September 2011 ontvang en die Konsep Omgewingsimpakevalueringsverslag (KOIV) is in April 2013 vir openbare oorsig beskikbaar gestel.

As 'n geregistreerde Belangstellende en/of Geaffekteerde Party (B&GP) is u deurlopend van inligting betreffende die voorgestelde projek voorsien. Sedert die openbare oorsig van die oorspronklike KOIV en KOBPr het sekere belangrike aspekte van die projek se bestek verander. Hierdie veranderinge sluit in:

- die vorm van die Asverwyderingsinstallasie (AVI) wat aangepas is om te voorkom dat dit nodig is om kraglyne te laat afwyk; en
- die lewensduur van die AVI, asook die besluit op 'n gefasseerde benadering, wat die oorspronklike konseptuele ontwerp verander het.

Gevolgtik sal Zitholele Consulting 'n Hersiene KOIV en Hersiene KOBPr, asook ondersteunende dokumentasie, vir u oorsig en kommentaar vrystel. Die bestekverandering sal regdeur die hersiene dokumentasie onderstreep wees vir maklike verwysing.

Besonderhede oor die openbare oorsigtydperk vir die Hersiene KOIV en KOBPr sal met verloop van tyd aan alle geregistreerde B&GP's en belanghebbendes oorgedra word. Alle kommentaar wat tydens die oorsigtydperk van B&GP's, belanghebbendes en Owerhede wat Kommentaar Lewer ontvang word, sal in 'n Kommentaar-en-Antwoordverslag, Weergawe 4 (KAV) vervat word en in die Finale Omgewingsimpakevalueringsverslag (FOIV) ingesluit word vir indiening by die DO. Die KAV sal besonderhede voorsien betreffende die kommentaar wat ontvang is, asook die antwoord wat deur die Omgewingsimpakevalueringspraktisyn (OEP) (d.i. Zitholele Consulting (Edms.) Bpk.) verskaf is. Sodra die KOIV bygewerk is, sal dit by die DO ingedien word vir oorsig en besluitneming. As 'n geregistreerde B&GP en belanghebbende, sal u in kennis gestel word van die indiening van die FOIV by die DO en u sal die geleentheid gebied word om oor die FOIV kommentaar te lewer.

Moet asseblief nie huiwer om ons te kontak indien u enige verdere inligting oor die Camden AVI-projek verlang nie. U is baie welkom om u navraag / kommentaar aan Nicolene Venter of Shandré Laven te stuur by tel: 011 207 2060, by faks 086 674 6121 of per e-pos aan publicprocess@zitholele.co.za.

Vriendelike groete

Our Ref: 12670-Let-001-Revised DEIR Notification

19 September 2014

Dear Stakeholder

PROPOSED EXTENSION OF ASH DISPOSAL FACILITIES AND ASSOCIATED INFRASTRUCTURE AT CAMDEN POWER STATION NEAR ERMELO, MPUMALANGA (DEA Ref.No: 12/12/20/2300 and NEAS Ref.No.: DEA/EIA/0000399/2011)

• **NOTIFICATION OF THE AVAILABILITY OF THE REVISED DRAFT ENVIRONMENTAL IMPACT ASSESSMENT REPORT;**

We would like to take this opportunity to inform you that the Revised DEIR, as per the EIA Regulation (Regulation 56(1)) as published in GNR 543 of June 2010, will be available for public review and comment. The Revised DEIR will be available for public review from **Monday, 22 September 2014 to Tuesday, 18 November 2014**.

As done previously in the DEIR, and as indicated in the Revised DEIR all changes and updates are in **Purple** for easy identification. Please be mindful that amendments and changes have been made throughout the entire report.

Thereafter, the Report will be updated with written comments received from stakeholders into the Final Environmental Impact Assessment Report (FEIR) and submitted to the DEA. The DEA will, in consultation with commenting authorities, consider the findings and recommendations and either grant environmental authorisation or not.

The **Revised** DEIR will be available at the public places listed in the table below. The **Revised** DEIR is also available for download from Zitholele website (www.zitholele.co.za/camden-power-station).

Venue	Address	Contact
Printed Copies		
Ermelo Public Library	Cnr Church and Smuts Street Civic Centre	Mr Stanley Dondolo 017 801-3621
Camden Power Station	N2 on-route Piet Retief, Reception	Ms Thandiwe Mzoyi 017 827 8000/8337
Electronic Copies		
Zitholele Consulting	www.zitholele.co.za/camden-power-station	Ms Tricia Njapha / Leoni Lubbe 011 207 2060
	Available on CD on request via email from Zitholele Consulting	publicprocess@zitholele.co.za

You can comment on the **Revised** DEIR in any of the following ways:

- By completing the comment sheet included in this letter and that is available with the **Revised** DEIR at the above-mentioned public places.
- By writing a letter and submitting per post, fax or e-mail to the Public Participation Office.
- By email or telephone to the Public Participation Office.

Should you wish to receive further information regarding this study, please contact us on Tel: 011-207-2060 or e-mail publicprocess@zitholele.co.za.

We would like to express our appreciation to the stakeholders who have submitted information required for the compilation of the DEIR and revised DEIR.

Kind regards

A handwritten signature in black ink, appearing to read 'Nicolene Venter', written in a cursive style.
