

Matthew Law

Environmental Management Consultant

Profession	Senior Environmental Consultant and Economist
Nationality	South African
Education	MCom, Resource Economics, 2007 BSc (Hons), Economics, 2005 BSc, Environmental Science and Economics, 2004
Registrations and Affiliations	CEAPSA (Certified Environmental Assessment Practitioner of South Africa) IAIAsa (International Association for Impact Assessment – South Africa): Member

Specialisation	Environmental Impact Assessment, Economic Impact Assessment; Environmental Management Planning, Development Planning / Project Scoping
-----------------------	--

Expertise	Matthew Law has 10 years' experience as an Environmental Management Consultant. He has significant experience in Environmental Impact Assessment (throughout Southern Africa), the drafting of Environmental Management Plans and as an Environmental Control Officer. Matthew has detailed knowledge of and practical experience with legislation governing applications relating to environmental authorisations, mining right applications and waste management and water use licensing.
------------------	---

Matthew regularly undertakes Economic Impact Assessments to inform Social and Environmental Impact Assessment processes. In addition, Matthew has experience in environmental valuation and assessing ecosystems services, and in a number of Social and Economic Impact Assessments for resource based projects in South and Central Africa. Matthew is also a certified Environmental Assessment Practitioner.

Employment

2008 - present	SRK Consulting Pty (Ltd), Environmental Management Consultant
2007 - 2008	AVDS Environmental Consultants, Environmental Management Consultant
2006 - 2007	Rhodes University: Department of Entomology, Resource Economics Researcher

Languages	English – read, write, speak (Excellent) Afrikaans – read, write, speak (Fair)
------------------	---
