Dear All

RE: DECOMMISSIONING OF THE EXISTING, AND CONSTRUCTION OF A NEW ESKOM KOEBERG INSULATOR POLLUTION TESTING STATION (KIPTS) PROJECT: SUBMISSION OF FINAL BASIC ASSESSMENT REPORT FOR PUBLIC COMMENT

FOR ATTENTION: INTERESTED AND AFFECTED PARTIES (*GOVERNMENT DEPARTMENTS*)

- **National Department of Environmental Affairs:** Biodiversity Conservation: Deputy-Director: Mr Seoka Lekota
- **Department of Environmental Affairs & Development Planning:** Directorate Land Management Region 1: For attention Maboee Nthejane & Taryn Dreyer
- **Department of Environmental Affairs: Oceans & Coasts:** Deputy Director-General Oceans and Coasts: Dr Monde Mayekiso
- **Eskom, Environmental Management, Megawatt Park:** EIA COE Manager, For attention: Mr Tobele Bokwe
- **Cape Nature Scientific Services - Land Use Advice:** For attention Mr Rhett Smart
- **Department of Water Affairs & Sanitation:** The Chief Director - Western Cape Region: For attention Mr Rasheed Khan
- **Department of Agriculture Western Cape:** Head of Department: Joyene Isaacs & Personal Assistant to the Head of Department: Anele Speelman & Director: Sustainable Resource Management, Mr Andre Roux

Our recent communication regarding the Draft Basic Assessment Report (BAR) refers.

All comments received on the Draft BAR were integrated into the Final BAR and Final EMP where required. Attached hereto please find the Comments & Responses Report (C&R Report) for your perusal and comment. The C&R Report is also available on pages 68 – 81 of the Final BAR and the Final EMP is also attached for your perusal.

Even though the BAR and EMP were amended where applicable to include the comment received, no significant changes were made to the Draft BAR that would change the outcome of the project and its recommendations.

Please ensure that your comment is addressed in a satisfactory manner and provide us with further comment (if any) within 30 days, excluding public holidays from the date of this email.

We trust that you find this in order, but please do not hesitate to contact this office should you have any further enquiries in connection with this project

Kind regards
Susanna Nel

Dear Pierre (SANSA Space Science)

RE: DECOMMISSIONING OF THE EXISTING, AND CONSTRUCTION OF A NEW ESKOM KOEBERG INSULATOR POLLUTION TESTING STATION (KIPTS) PROJECT: SUBMISSION OF FINAL BASIC ASSESSMENT REPORT FOR PUBLIC COMMENT

Previous correspondence and the meeting held at the Koeberg Power Station regarding above-mentioned project have reference.

Attached herewith please find the Final Basic Assessment Report (BAR), Final Environmental Management Plan (EMP) and Comments & Responses Report for your perusal and comment.

For ease of reference, the following is applicable to SANSA:

- Final BAR: page 67 and page 3 of the Comments & Responses Report (this reflects the decisions made during the meeting at Koeberg as captured in the “Notes on the meeting” which was approved by Eskom as well as SANSA)
- Page 19 of the Final EMP (the decisions as per the meeting is included in the EMP and binds Eskom to the stipulations therein).

The entire document inclusive of all the addendums can also be accessed via the following link:

<https://www.dropbox.com/sh/ds9qabgnworuhbs/AADtj8L7iiAJE7pKIXl6Zr7da?dl=0>

Please do not hesitate to contact us should there be any difficulty in accessing information via this link.

Could you please provide us with your comment (if any) within 30 days from the date of this email, excluding any public holidays.

Kind regards

Susanna Nel
