Dear Sir

I came to your farm Kromdraai to deliver a notice for the proposed Zeus Substation upgrade. The lady that accepted the notice asked that I post a copy of the map showing the substation and your farm.

The requested map is herewith enclosed. If the proposed new transmission power lines go through your property Eskom representative will contact you before the development take place.

I hope you find this in order and if there is any information you require, please feel free to contact me.

Yours faithfully

Moses Mahlangu (082 854 9538)
