## **NOTICE OF PROPOSED EXEMPTION FROM ENVIRONMENTAL IMPACT ASSESSMENT REGULATIONS**

Notice is given in terms of section 28A (1) of the Environment Conservation Act (Act No 73 of 1989), that the National Department of Environmental Affairs and Tourism (DEAT), Directorate: Environmental Impact Management is considering granting exemption to **Eskom Holdings 2002/015527/06 Transmission Division** from complying with Sections 21, 22 and 26 of the above Act for the expansion and upgrade of Mercury Substation to accommodate 765kV Transmission Power lines. [This application is conducted under the old regulations].

Mercury Substation is located near VIERFONTEIN on the farm ZAAIPLATS 190/3 in Free State. The proposed exemption is subject to notifying surrounding landowners and comments from relevant municipalities being sought. The site did form part of the full EIA for the associated 765kV Power lines that took place between August 2005 and July 2006, and which has been submitted to DEAT for authorisation.

**DEAT Reference Number:** 12/12/20/827
