

ENVIRONMENTAL IMPACT ASSESSMENT (EIA) PROCESS
COEGA IDZ ELECTRICAL INFRASTRUCTURE: (EIA/12/12/20/781)

Notice is hereby given in terms of Regulation 4 (6) of the regulations published in Government Notice No. R.1183 under Section 26 of the Environment Conservation Act (Act No. 73 of 1989) of intent to carry out the following activity:

Eskom Transmission and the Coega Development Corporation (CDC) propose the installation of electrical infrastructure within the Coega Industrial Development Zone (IDZ) near Port Elizabeth, Eastern Cape. The project includes the installation of 400kV and 132kV powerlines, substations for stepping down the power for end users, radio towers for communications, and the upgrade of the existing Grassridge substation.

Proponent: Eskom Transmission Group & Coega Development Corporation
Independent Environmental Consultant: Eyethu Engineers cc
