Dear Sir/Madam

AMENDMENT OF THE ENVIRONMENTAL AUTHORISATION ISSUED ON 06 NOVEMBER 2015 FOR THE PROPOSED PERSEUS-GAMMA 2ND 765KV TRANSMISSION POWER LINE AND SUBSTATIONS UPGRADE, NORTHERN CAPE AND FREE STATE PROVINCES.

The Environmental Authorisation (EA) issued for the abovementioned application by this Department on 06 November 2015, your application for amendment of the EA received by the Department on 01 October 2020 and the acknowledgement letter dated 07 October 2020, refer.

Based on a review of the reason for requesting an amendment to the above EA, this Department, in terms of Chapter 5 of the Environmental Impact Assessment Regulations, 2014 as amended, has decided to amend the EA dated 06 November 2015 as follows:

Amendment to the validity period of the EA:

The validity period of your authorisation is extended by an additional five (5) years from the date of expiry of the EA issued on 06 November 2015 (i.e. the EA validity period was until 05 November 2020). Therefore the validity period is extended to **06 November 2025** and if commencement of the activity does not occur within that period, the authorisation lapses and a new application for environmental authorisation must be made in order to undertake the activities.

Reason for the amendment: The Applicant, Eskom Holdings SOC Limited experienced unforeseen delays during the negotiations with some affected landowners.

This proposed amendment letter must be read in conjunction with the EA dated 06 November 2015.

Kindly note that this is the **last extension and no further extension of this EA will be accepted in future**. The Department is aware that the environment changes constantly, as a result it might be significantly different from the one that existed at the time of the issuing of this EA, hence the validity of the **EA cannot exceed a maximum period of ten (10) years**. As such, failure to commence with construction activities on or before **06**

November 2025 will result in the exhaustion of the maximum ten (10) year period, which is standard for the Department in terms of validity periods for all EAs. Should you not commence with the authorised listed activities within the above stipulated period, your EA will be deemed to have lapsed and a new application for Environmental Authorisation will have to be lodged.

In terms of the Promotion of Administrative Justice Act, 2000 (Act No 3 of 2000), you are entitled to the right to fair, lawful and reasonable administrative action; and to written reasons for administrative action that affects you negatively. Further your attention is drawn to the provisions of the Protection of Personal Information Act, 2013 (Act no. 4 of 2013) which stipulate that the Department should conduct itself in a responsible manner when collecting, processing, storing and sharing an individual or another entity's personal information by holding the Department accountable should the Department abuse or compromise your personal information in any way.

In terms of Regulation 4(2) of the Environmental Impact Assessment Regulations, 2014, as amended (the EIA Regulations), you are instructed to notify all registered interested and affected parties, in writing and within 14 (fourteen) days of the date of the EA, of the Department's as well as the provisions regarding the submission of appeals that are contained in the Regulations.

Your attention is drawn to Chapter 2 of National Environmental Management Act, 1998 (Act No. 107 of 1998) National Appeal Regulations published under Government Notice R993 in Government Gazette No. 38303 dated 08 December 2014 (National Appeal Regulations, 2014), which prescribes the appeal procedure to be followed. Kindly include a copy of this document (National Appeal Regulations, 2014) with the letter of notification to interested and affected parties in this matter.

Should any person wish to lodge an appeal against this decision, he/she must submit the appeal to the appeal administrator, and a copy of the appeal to the applicant, any registered interested and affected party, and any organ of state with interest in the matter within 20 days from the date that the notification of the decision was sent to the registered interested and affected parties by the applicant; or the date that the notification of the decision was sent to the applicant by the Department, whichever is applicable.

Appeals must be submitted in writing in the prescribed form to:
