ENVIRONMENTAL IMPACT ASSESSMENT (EIA) PROCESS

**ESKOM: GAMMA-GRASSRIDGE
765 kV TRANSMISSION POWER LINES (x2)
(EIA: 12/12/20/801)**

Notice is hereby given in terms of Regulation 4 (6) of Government Notice No. R.1183 under Section 26 of the Environment Conservation Act (Act No. 73 of 1989) of Eskom's intent to carry out the following listed activity:

The construction of two 765 kV transmission power lines from Gamma Substation near Victoria West, Northern Cape, to Grassridge Substation, situated north of Port Elizabeth, in the Eastern Cape. The direct distance between the Gamma and Grassridge Substations is 310 km. The proposed transmission power line is part of a strengthening programme to supply more power and to improve the reliability of supply to the greater Eastern and Western Cape areas.

Proponent: Eskom Transmission Division
Independent Environmental Consultant: ACER (Africa) Environmental Management Consultants
