ATHLETICS: Midlands gears up for overcrowded fixture list

NORRIE WILLIAMSON
Athletics reporter

The legs in the future must be kept in good condition as this year is one year before the Athletics SA marathon from exactly the same venue and a very similar route.

That said, the hospitality at the finish is top-notch and there are always good lucky draws and other giveaways. Mike Padayachee has more details at 084 428 6716.

The Midlands Alexander Maritzam on March 27 has been cancelled by Husk Athletics.

In other respects this will be a busy month for the Midlands runners. The Upstart Water, the Midlands and the Bergville Ladies with 22 km have been cancelled to concentrate on the 27 km, which automatically reduced the distance of each field and hence reduced the return for spectators.

Both events are extremely popular, but a scenic and interesting midlands event, it could in the long run bring greater rewards for the sport and the two realising events. Apart from the 22 km, the 27 km, which has been cancelled to concentrate on the 27 km, which automatically reduced the distance of each field and hence reduced the return for spectators.
