MOTIVATION FOR ABSENSE OF LANDOWNER CONSENT FORM

The Acting Director Impact and Evaluation Department of Environmental Affairs and Tourism Private Bag X447 PRETORIA 0001

Date: 16 April 2008

Dear: Sir/Madam

RE: REQUEST TO SUBMIT APPLICATION FORMS WITHOUT LANDOWNER'S CONSENT LETTERS FOR THE CONSTRUCTION OF PROPOSED DWAALBOOM 132 KV SWITCHING STATION PROJECT.

The above matter has reference: according to the Environmental Impact Assessment Regulations, if an applicant of the activity is not the owner of the land on which the activity is to be undertaken, the applicant must before applying for an environmental authorisation in respect of that activity, obtain the written consent of the landowner to undertake the proposed activity on that land.

Eskom is in the process of negotiating with landowners for permission to conduct the Environmental Impact Assessment in various farms as indicated on the application form. In the meantime the Environmental Assessment Practitioner on behalf of Eskom would like to submit the application forms without the consent letters from the landowners. Once the consent letters have been obtained, they will be attached to the Scoping report to be submitted to your Department.

Yours Sincerely

Mmamoloko Seabe
