RE : Notice of Environmental Authorization - Construction of Dwaalboom 132kV Switching Station and Associated Infrastructure

No of Pages (including cover)

3

MESSAGE –

Mr Daniel

The final Environmental Impact Assessment (EIA) Report for the Dwaalboom 132kV Switching This serves as notification that the Department of Environmental Affairs (DEA) issued an Environmental Authorisation for the abovementioned project (Reference number 12/12/20/1188) on 16 November 2009 the Farm De Paarl 246KP in the Moses Kotane Local Municipality. The aforementioned authorisation is issued in terms of the National Environmental Management Act, 1998 (Act No. 107 of 1998), following the undertaking of a Scoping/EIA Process (according to Government Notice No. R.385) for the following activities listed in Government Notices No. R.386 and R.387):

- | | |
|-------------------------|---|
| No. R. 387 of 2006 1(i) | The construction of facilities or infrastructure, including associated structures or infrastructure for the transmission and distribution of aboveground electricity with a capacity of 120kV or more. |
| No. R.387 of 2006 2 | Any development activity, including associated structures and infrastructure, where the total area of the developed area is, or is intended to be, 20 hectares or more. |
| No. R386 of 2006 7 | The aboveground storage of a dangerous good, including petrol, diesel, liquid petroleum gas or paraffin, in containers with a combined capacity of more than 30m ³ but less than 1 000m ³ at any one location or site. |
| No. R386 of 2006 12 | The transformation or removal of indigenous vegetation of 3ha or more or any size where the transformation or removal would occur within a critically endangered or endangered ecosystem listed in terms of section 52 of the National Environmental Management: Biodiversity Act, 2004 (Act No. 10 of 2004). |
| No. R386 of 2006 14 | The construction of masts of any material or type or any height, including those used for communications broadcasting and radio transmission, but excluding
(a) masts of 15m and lower exclusively used by
(i) radio amateurs; or
(ii) for lightning purposes, |

MESSAGE –

Dear Mr Molo

This serves as notification that the Department of Environmental Affairs (DEA) issued an Environmental Authorisation for the abovementioned project (Reference number 12/12/20/1188) on 16 November 2009 the Farm De Paarl 246KP in the Moses Kotane Local Municipality. The aforementioned authorisation is issued in terms of the National Environmental Management Act, 1998 (Act No. 107 of 1998), following the undertaking of a Scoping/EIA Process (according to Government Notice No. R.385) for the following activities listed in Government Notices No. R.386 and R.387):

- No. R. 387 of 2006 1(I) The construction of facilities or infrastructure, including associated structures or infrastructure for the transmission and distribution of aboveground electricity with a capacity of 120kV or more.
- No. R.387 of 2006 2 Any development activity, including associated structures and infrastructure, where the total area of the developed area is, or is intended to be, 20 hectares or more.
- No. R386 of 2006 7 The aboveground storage of a dangerous good, including petrol, diesel, liquid petroleum gas or paraffin, in containers with a combined capacity of more than 30m³ but less than 1 000m³ at any one location or site.
- No. R386 of 2006 12 The transformation or removal of indigenous vegetation of 3ha or more or any size where the transformation or removal would occur within a critically endangered or endangered ecosystem listed in terms of section 52 of the National Environmental Management: Biodiversity Act, 2004 (Act No. 10 of 2004).
- No. R386 of 2006 14 The construction of masts of any material or type or any height, including those used for communications broadcasting and radio transmission, but excluding
(a) masts of 15m and lower exclusively used by
(i) radio amateurs; or
(ii) for lightning purposes,

Dear Mr Molo

This serves as notification that the Department of Environmental Affairs (DEA) issued an Environmental Authorisation for the abovementioned project (Reference number 12/12/20/1188) on 16 November 2009 the Farm De Paarl 246KP in the Moses Kotane Local Municipality. The aforementioned authorisation is issued in terms of the National Environmental Management Act, 1998 (Act No. 107 of 1998), following the undertaking of a Scoping/EIA Process (according to Government Notice No. R.385) for the following activities listed in Government Notices No. R.386 and R.387):

No. R. 387 of 2006 1(i)

The construction of facilities or infrastructure, including associated structures or infrastructure for the transmission and distribution of aboveground electricity with a capacity of 120kV or more.

No. R.387 of 2006 2

Any development activity, including associated structures and infrastructure, where the total area of the developed area is, or is intended to be, 20 hectares or more.

No. R386 of 2006 7

The aboveground storage of a dangerous good, including petrol, diesel, liquid petroleum gas or paraffin, in containers with a combined capacity of more than 30m³ but less than 1 000m³ at any one location or site.

No. R386 of 2006 12

The transformation or removal of indigenous vegetation of 3ha or more or any size where the transformation or removal would occur within a critically endangered or endangered ecosystem listed in terms of section 52 of the National Environmental Management: Biodiversity Act, 2004 (Act No. 10 of 2004).

No. R386 of 2006 14

The construction of masts of any material or type or any height, including those used for communications broadcasting and radio transmission, but excluding
(a) masts of 15m and lower exclusively used by
(i) radio amateurs; or
(ii) for lightning purposes,
