Dear Interested and Affected Party

PUBLIC PARTICIPATION PROCESS: PROPOSED DEVELOPMENT OF A HARDENED WATER SUPPLY AND ASSOCIATED PIPING AT KOEBERG NUCLEAR POWER STATION, LOCATED ON THE FARM DUYNFONTYN NO. 1552, MELKBOSSTRAND

Notice is hereby given of a public participation process in terms of the National Environmental Management Act, 1998 (Act No. 107 of 1998) (NEMA), as amended, and the Amendments to the Environmental Impact Assessment Regulations, 2014, promulgated on 07 April 2017.

Proposal and location: the proposed development of a hardened water supply comprising two tanks and associated piping, hereinafter referred to as the Hardened Water Supply, at Koeberg Nuclear Power Station (KNPS) located on the Farm Duynfontyn No. 1552, Melkbosstrand.

The purpose of the proposed hardened water supply is to ensure that adequate water inventory is available at KNPS to provide for core cooling and spent fuel pool cooling to cope with an extended period (more than 14 days) beyond-design-basis loss of ultimate heat sink and/or station black-out, which could be precipitated by an extreme seismic and/or flooding event(s).

Applicant: Eskom Holdings SOC Ltd.

Environmental Authorisation is required in terms of NEMA for the following listed activities:

Government Notice R. 327 (Listing Notice 1): Activity 19A, and Government Notice R. 324 (Listing Notice 3): Activities 2 and 12. The procedure for a basic assessment process is being followed.

Availability of the Basic Assessment Report (BAR): the draft BAR will be available for public comment from **Tuesday, 25 April 2017 – Monday, 29 May 2017** at the Koeberg Public Library (Merchant Walk, Duynfontein), Wesfleur Public Library (Arnold Centre, Bunting Crescent, Atlantis), Cape Town Central Library (Old Drill Hall, corner of Parade and Darling Streets, Cape Town), Koeberg Visitors Centre, and Doug Jeffery Environmental Consultants' office in Klapmuts. The BAR will also be made available on our company website, www.dougjeff.co.za.

Opportunity to participate: Interested and affected parties (I&APs) are hereby invited to register as I&APs and/or to submit comment with regard to the proposed application. In order to register or submit comment, I&APs must provide their names and contact details (e.g. postal address as well as preferred method of communication, e.g. e-mail, fax, registered mail, normal mail, etc.), and must indicate any direct business, financial, personal or other interest which they have in the application to the contact details below.
