The emails that came back were giving the following reasons:

- Delivery failure
- Temporary problem
- Inbox full
- Email have been blocked
- Returned email

Follow up was made with phone calls and some were no longer reachable. Some of the IAP's were going to check and will revert back if the email is not received.

The Manager from Pixley Ka Seme Municipality was contacted to check if there was a problem with the Municipality server. She gave the new email address to resend the email to:
