Speaker

Notes

Welcome and Introduction

RA chaired and welcomed everyone to the meeting.

Project background and purpose

RA highlighted the following:

- Proposed project background;
- Progress to date; and
- Public Participation process

RA presented a map reflecting the proposed site to the council.

SV presented the motivation and the technical part of the project.

Response and discussions

Councillor Maesela commended the manner in which the public participation was conducted.

We all agreed on the following:

- Councillors will engage with the Tribal Authority representative in their villages as there is no Chief due to bickering in the Tribal house.
- During the EIR phase the Councillors will arrange the meetings with the Tribal representative in the morning and another meeting will be held with the community in the afternoon.

Conclusion and Way forward

RA: highlighted the following:
The Councillors will be informed of the decision taken by the Department of Environmental Affairs.

Adjournment

RA adjourned the meeting and thanked everyone for attending the meeting.
