**Proposed Mookodi-Mahikeng 400kV Powerline, North West**

Dear Authorities

Eskom have proposed a 180km 400kV powerline that starts in Vryburg at the existing Mookodi substation and ends near Mahikeng at the future Mahikeng substation site. Kindly find the attached **Background Information Document (BID)** for more details on the proposed development currently in its public notification phase.

Nemai Consulting are undertaking the public participation process for the proposed development as per Government Notice 982 of the Environmental Impact Assessment (EIA) Regulations of 2014, in terms of the National Environmental Management Act (No. 107 of 1998).

We encourage you to register as an Interested and Affected Party (IAP), as outlined in the attached BID.

Kind Regards,

Kristy Robertson  
 Environmental Consultant  
 Nemai Consulting

**Proposed Mookodi-Mahikeng 400kV Powerline, North West**

Dear Landowner

Eskom have proposed a 180km 400kV powerline that starts in Vryburg at the existing Mookodi substation and ends near Mahikeng at the future Mahikeng substation site. Kindly find the attached Background Information Document (BID) for more details on the proposed development currently in its public notification phase.

Nemai Consulting are undertaking the public participation process for the proposed development as per Government Notice 982 of the Environmental Impact Assessment (EIA) Regulations of 2014, in terms of the National Environmental Management Act (No. 107 of 1998).

We encourage you to register as an Interested and Affected Party (IAP), as outlined in the attached BID.

Kind Regards,

Kristy Robertson
