Subject: RE: Proposed Construction of a 132KV Powerline, Outeniqua - Oudsthoorn - George Municipality

Hi Carel,

Thank you for your email!

We hereby acknowledge that your Department has in principle no further comment regarding the proposed application based on the environmental approval. We can confirm that correspondence has been made with Oudsthoorn Municipality regarding the above stated project.

Kind regards,

Jana

Hi Jana,

I have not received the application, but maybe one of my colleagues have?? Any way, looking at the map, I doubt if we will comment from the Planning Department since a small portion of the proposed activity falls within George Municipal area. I suggest you consult with Oudsthoorn Municipality on the matter.

Thank you

Carel Venter

Hi Carel,

All the best for 2013!

The above-mentioned project with DEA Ref 14/12/16/3/3/1/613 and DEA&DP Ref 16/3/1/6/6/D7/9/0089/12 has reference. We would just like to confirm that George Municipality received the hardcopy and CD of the DBAR, EMP other supporting documentation on 05/11/12 ? We would like to proceed with the FBAR and associated PPP phase and your Department comment is key. Please could you perhaps indicate when we can expect George Municipality's comment by?

(Attached is a locality map indicating proposed location and routes)

Many thanks and regards,

Jana
