

Success for Sakhile Police

STANDERTON - A-37-year old man was sentenced to nine months imprisonment after the police found 13 full, and two halved, Mandrax tablets, a plastic bag with cocaine and three packets of dagga in his Sakhile dwelling. The man plead guilty to possession.

On 29 March a child was run over by a car. The 26-year-old driver of the car of Sakhile was arrested for reckless and negligent driving and the child was taken to Standerton Hospital for medical treatment.

A husband and his wife were on their way home on 29 April when they were confronted by three men. Both the man and woman were assaulted and their cell phones and money were robbed. They were stripped from their clothes which were also taken by the robbers. The case is still under investigation.

A complaint was received that a burglary took place at a business in Jabavu section, Sakhile on 16 June. A two-plate stove, food, speakers and a television to the value of almost R3 600 was stolen. The case is also under investigation.

A Samsung television and Sony sound system to the value of R18 000 was stolen during a housebreaking on 30 June. The investigating officer is Constable Bafana Mkhabela from the Sakhile's detective branch. Even a church fell victim to burglars. At 11:09 on 8 July the complainant received a message that the church doors were wide open. During investigation it was clear that an instrument was used to force the doors

open and 24 chairs, some speakers and four microphones counted under the stolen property. This case of housebreaking and theft is still under investigation.

According to the Communications Officer of the Sakhile detective branch, an average of nine cases per month are opened for the possession or abuse of dangerous and controlled substances. Most of the men who are accused, range between the ages of 20 and 35 years. Rape, murder, housebreaking, theft of motor vehicles, fraud and business robbery are also reported on a regular basis. The community is urged to phone the Standerton Police offices at 017 719 1250 or the Sakhile police station at 017 714 7888 should they suspect any illegal activities or to report crimes in progress. *JM*

Polisie kragloos gelaat

Die Lekwa Munisipaliteit is in die proses om elektrisiteitstoever na besighede en inwoners, wat agterstalling is met hul munisipale rekeninge af te sny. Teen druktyd, Dinsdagoggend, is die polisieostasie se kragtoevoer ook kortgeknip.

Volgens die polisie is dit die plig van die Departement van Openbare Werke om die uitstaande rekening te vereffen. Die DA Raadslid, mnr Pierre Schnetler se dat dit onverantwoordelik is om die kragtoevoer van noodsaaklike dienste af te sny. Hy se kommer heers dat die Munisipaliteit ander noodsaaklike dienste, soos die hospitaal, se kragtoevoer ook sal afsny. "Daar kan na alternatiewe oplossings gekyk word voordat noodsaaklike dienste se rekeninge eenvoudig afgesny word," het hy teen druktyd gesê. Hy het egter gemaak dat mense hul elektrisiteitsrekeninge moet betaal.
