Dear Stakeholder,

Kindly be informed that the National Department of Environment, Forestry and Fisheries has granted Eskom SOC Ltd a positive Environmental Authorisation for the Proposed Installation of Battery Energy Storage systems (BESS) and its associated infrastructure at the existing Witzenberg Substation, Witzenberg Local Municipality, Western Cape Province. The Authorisation was granted on 17 June 2020 and was issued to the applicant and GA Environment on 19 June 2020. Please find attached an Environmental Authorisation Notification letter and a copy of the National Appeal Regulations 2014, as amended for your information and record. A copy of the Environmental Authorisation is available on request.

Please note that you can make an appeal against this decision by no later than the **13 July 2020** in accordance with Chapter 2 of the National Appeal Regulations 2014, as amended.

Kind regards
