Dear Stakeholder

Diges has been appointed by Eskom to conduct an Environmental Impact Assessment (EIA) for the proposed construction of new 400kV Transmission Powerline between Foskor and Spencer Substations and expansion of Spencer substation in Mopani district municipality, Limpopo Province. You have been identified as one of the affected landowner. Herewith attached is BID, Letter and Maps. Due to the size of the attached documents, reply sheet and the other two maps will follow shortly.

Your participation is greatly valued.
